

PORTABLE HAND WASHING STATION

“Wash your hands!” said every grandma, ever; and was she ever on-point.

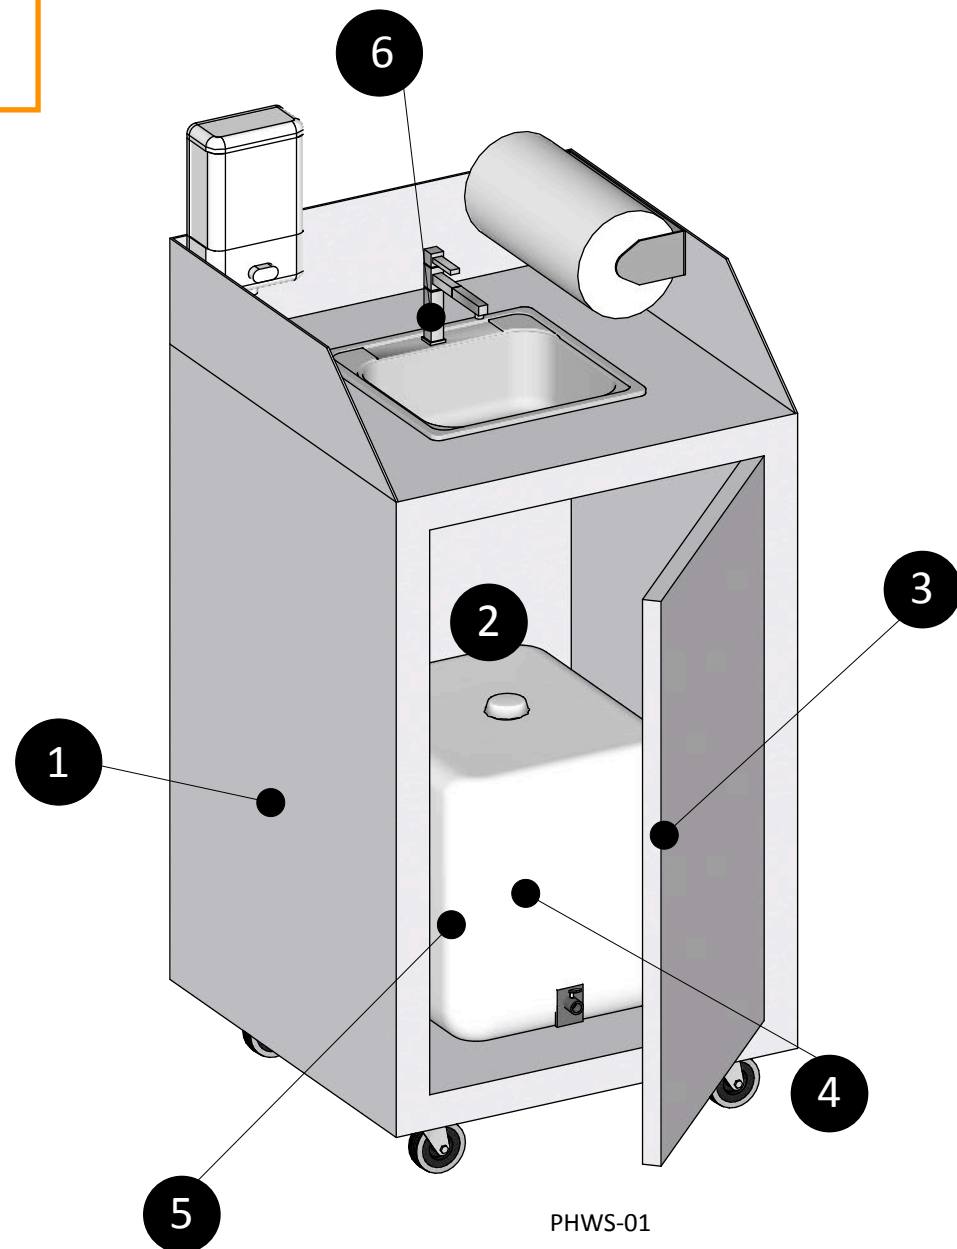

Whether it’s an outdoor venue or your child’s favourite toy store, it’s going to be a safer place when everyone washes their hands on the way in... and hopefully on the way out.

This portable piece of purgation perfection can be deployed anywhere there is an electrical outlet. It has a built-in water heater and a grey water collection tank. It’s every grandma’s dream come true :)
